I'm in training all day tomorrow! And Upper Animas could be my lunch and coffee breaks. I'll see what I can do – what time do you get in and leave tomorrow? Or are you in on Friday?

Hi Paula,

I'm in training all day today, but am free tomorrow. How about we get together in the morning, say 10:00 or so?

As discussed and proposed, please find attached change pages, with the revisions highlighted, to the Final UFP-QAPP, Rev03-July 2014, pertaining to the modification in the criteria for PAHs and CrVI for topsoil acceptance. I have made the revisions in track changes mode to the source Word file for the text, renaming it to Rev3a. That file is also attached so the tracked revisions can be reviewed.
